As the weather heats up, don't just work on your tan...work on your **TEST PREP!!**  
Check out our **three test prep options!**

### SAT/ACT Test Prep Bootcamps

Participate in structured SAT/ACT boot camps either 1:1 or with a friend

Identify the differences between the two exams

Learn strategies to overcome common errors

Take proctored practice exams

### SAT Subject Test Prep Boot Camps

Get focused support on any of the 20 SAT Subject Tests in five general subject areas: English, Math, Science, History and Languages.

Take practice exams and receive in-depth review with your tutor

### Essay Writing Bootcamps

Master the art of writing a strong **essay** for both the SAT/ACT exams and your college applications

Work with experienced college counselors who will support you in carrying out the **essay** requirements and the editing process

**Customize a schedule that works for you!**
